**Vinification:** 60% of this wine was fermented in stainless steel tanks and 40% in oak. In making this style the intention is to maintain fruit integrity whilst adding complexity by conducting barrel fermentation and lees contact to a portion of the wine. Small additions of Semillon Sauvignon Blanc add zest to the palate.

**Oak Maturation:** 40% was fermented in new French oak.

**Assessment:** Ripe fruit with nectarine and citrus characters. Rich flavours, subtle oak persistence are hallmarks of this wine.
